Portsmouth public transport information map

Services included
Details of almost all public transport (local bus, coastal ferries, National Express and train services) in Portsmouth are included. National Express services are omitted from the map to improve clarity. The information is correct as of April 2025. Bus services may change at short notice and the council is unable to accept responsibility for any subsequent inaccuracies in this guide.

User guide
The index to places served will help you find the routes which go to your chosen destination. All local bus routes are identified on the map, and the list of services shows the main points served, how often the service runs, who operates the route, and (if the service is contracted) which council the route is operated for.

Published: **April 2025** Ref: **237.26**

Not all services run daily, or throughout each day. Further information can be obtained from Traveline, National Rail or from the operators, and a list of public transport operators in this area is included, giving their telephone numbers and addresses.

Suggestions and complaints
If you have any suggestions or complaints about public transport, contact the relevant operator. This map is financed and published by Portsmouth City Council to provide comprehensive public transport information for residents and visitors.
